

PART CARGO SERVICE

FROM CENTRAL MED SEA TO NORTHERN CONTINENT

The Wilson fleet consists of around 130 vessels ranging from 1500 to 8500 DWT. Our vessels are sailing 4 to 6 times per months from Central Med Sea direction Northern Continent.

On these shipments we have enough space left to load your part cargoes under or on deck.

We can offer fixed prices for all part cargo shipments within our **PCS** trading area.

Contact us now with your enquiries.

Possible part cargoes can be:

- ▶ Small lots of bulk cargoes/steel cargoes
- ▶ Project cargoes (Windmill equipment, Boats, Generators, Tanks)
- ▶ General cargoes
- ▶ Pipes
- ▶ Any other cargoes you wish to transport.

....upto a total of 1000 tns weight per shipment

....upto a total of 1000 sqm space per shipment
