Dear Customers
and Partners,

In 2017, ARKON SHIPPING will again be taking part
in the leading exhibition for transport logistic in Munich.

The subjects presented at Munich will be focussing on:

- Innovative ship new building designs
- Environmental aspects
- Market research European trade
- European transport solutions door/door
- Motorways of the sea in Europe
- Semi-liner services for non geared vessels
- Commercial management for minibulkers/container vessels/multipurpose heavylifters/dry bulkers
- Sale & purchase
- Maritime logistic software development

For our team it would be a pleasure to answer all
of your questions about our activities.

We are looking forward to meeting you.
